Part No.	Size	OE Specifications
CHF202-1L	1 Liter 6 cans/carton 95 cartons/pallet	Audi/VW: G004000M2 Porsche: 000 043 206 56 Saab: 93160548 Volvo: 30741424

PENTOSIN CHF 202

Fluid for electro-hydraulic and servo gear rack steering systems.

Excellent low temperature operation ! Range of operation: -40°F (-40°C) to +266°F (+130°C)

CHF 202 meets original equipment specifications of numerous international automotive manufacturers. Always refer to vehicle manufacturer's manual for fluid replacement and top-off recommendations.

Pentosin CHF 202 is compatible with Pentosin CHF 11S but do NOT mix with Pentosin CHF 7.1 or any other manufacturer's hydraulic or power steering fluid.
